

Welcome to the Toyokawa IPS Workshop 2007

Thank you for the registration for our Workshop in Toyokawa on Oct.30and 31.
Toyokawa city, the site of the Workshop, is located in the central region of Japan ,about 2.5 hours from Tokyo or 1.5 hours from Kyoto by JR Shinkansen(the bullet train).
The average temperature of Toyokawa during October is 17°C(63°F); this is the most beautiful and the most comfortable season in Japan.

Following is the information about access to Toyokawa and the hotel where you will be staying. In order to make the necessary arrangement for your stay in Toyokawa, please read the following, and answer the questions below.

Access to the IPS Workshop in Toyokawa

If you are coming from Kyoto(CAWSES).....

From Kyoto Station - Take the JR Shinkansen (the bullet train) Nozomi or Hikari to **Nagoya**. Then transfer to the JR Shinkansen- Kodama and get off at **Toyohashi**. Our staff will meet you there.
